Our College recognizes the vital role that computing technology plays in research, instruction, and public service. College staff make extraordinary efforts to keep pace with the rapid development of technology, and to help departments keep their own technological environments in top working order.

Dean's Office Contacts

- **Stephen Majeski**, Divisional Dean for Research and Infrastructure
  majeski@u.washington.edu [1]  Phone: 206-543-9648
- **Ron Kline**, Director of Computing
  arkline@u.washington.edu [2]  Phone: 206-543-6366
- **Kirk Wolden-Hanson**, Director of Computing
  kfwh@u.washington.edu [3]  Phone: 206-543-9945

There will be no Workstation Initiative during the 2016-2017 Academic Year.

Department, Center and Unit Contacts

- Departmental/Unit Computing Staff Contacts [4]

Resources

- Recommended Equipment List [5]
- The Long List of company URLs and phone numbers (hosted by Newegg)(hat tip to Bob Majors) [6]
