Our office assists researchers in the College of Arts and Sciences who apply for and receive external funding. We approve grant proposals that will be submitted to the Office of Sponsored Programs (OSP), oversee budgets from Research Cost Recovery (RCR), coordinate matching funds and cost-sharing for grant proposals, distribute announcements of funding opportunities, and compile resources for grant writers.

Funding Resources

Office of Research Funding Opportunities [1]

Grant Proposal Preparation

- Proposal Preparation Factsheet [2]
- Glossary [3]
- Budget Example [4]
- Budget Justification Example [5]

Cost Share Tools

- Budget Example with Cost Sharing [6]
- Budget Justification with Cost Sharing [7]
- Cost Share calculators & other tools [8]

Deadlines and Approval Process

- Contacts at OSP [9] (if using the Contact Us> be sure to enter both a "topic" AND "department")
- OSP Deadlines [10]
- Approval Process: Dealing with Deadlines [12]
- Dean's Office Proposal Review Criteria [13]
- What is “Ready to Submit” (RTS)? [14]

A&S Polices and Other Information

- Research Cost Recovery [15]
- Faculty Management Effort Policy [16]
- Research Center Formation [17]
- Forms Signed in Dean?s Office [18]
